Understanding Cooperative Apartments and Subleasing

What Is a Cooperative Apartment? A cooperative apartment, commonly known as a co-op, is a type of residential housing where residents do not own their individual units outright. Instead, they purchase shares in a corporation that owns the building, conferring the right to occupy a specific apartment. This setup often involves a complex legal and financial structure, including bylaws, proprietary leases, and stock certificates.

Subleasing in Cooperative Buildings Subleasing occurs when a shareholder in a co-op leases their apartment to a third party, known as a subtenant. Many cooperative boards have specific policies and approval processes for subleasing, often requiring shareholders to submit applications and obtain consent before proceeding. Subleasing can be an effective way for shareholders to offset maintenance costs or temporarily vacate their unit.

The Importance of a Standard Form of Cooperative Apartment Sublease
