in addition to conflicts and related security disruptions in the arab region a significant fall in oil prices and their uncertain prospects have become a predominant economic concern with prices plunging by more than 50 per cent in the second half of 2014 nevertheless member countries of the

Gulf Cooperation Council (GCC) have continued to lead growth in the Arab region. This edition of the survey of economic and social developments in the Arab region looks at the continued expansion of the non-oil sector as it maintains GCC economic growth. Lower oil prices have not yet negatively affected the GCC economically, although confidence has dropped with weakening stock markets and real estate transactions. Furthermore, lower oil prices have benefited oil-importing Arab countries by easing their balance of payment and fiscal constraints. With conflict and violence in the region, one of the main channels for economic stabilization has been intraregional flows of capital and remittances from the GCC countries.

Seminar paper from the year 2014 in the subject American Studies, Culture and Applied Geography, Grade 1.0, University of Frankfurt/Main, Institut für England und Amerikastudien, Language: English.

Abstract: This paper analyzes Benjamin Dickinson's video clip for Killer Mike's song "Untitled." Therefore, I will start by examining the visualization in general. As a second step, the analogies between the song and the visuals will be dealt with. Thus, I will answer the question: In how far are the lyrics or musical elements represented in the music video? Last but not least, the paper ends by giving a conclusion. Michael Render, better known by his stage name Killer Mike, was born in Atlanta in 1975. In the late 1980s and early 1990s, he made a name for himself as a battle rapper in Atlanta's underground hip-hop scene. A few years later, Mike met Antwan André Patton, aka Big Boi, from the famous hip-hop duo Outkast. After their breakthrough, the duo approached Mike and recorded the song "The Whole World with Him" shortly after he signed to Columbia Records and released his first single and album in 2003. In the following years, he put out various LPs on different record labels. In the year 2012, he released *RAP MUSIC*. This piece of work received widespread acclaim, e.g. from the Chicago Tribune, OkayPlayer, Spin Magazine, Pitchfork Media, etc. The song "Untitled," which will be discussed in this paper, appeared on *RAP MUSIC* and is a rather personal track that touches on

different subjects furthermore it is worth mentioning that only the verses are rapped by killer mike whereas the hook is sung by the artist scar benjamin dickinson is a director writer and actor he is known for his work as a director for various movies and short films such as super sleuths first winter and creative control moreover he directed the video clips for north american scum led soundsystem gettin up q tip get myself into it the rapture etc

grzegorz czemieli examines ways in which cartography has been imaginatively reclaimed in philosophy literature and art to develop new ontologies that challenge unreflective anthropocentrism and capitalist driven globalization speculative cartographies strive to account for material processes occurring across various spatiotemporal scales in effect they open alternative visions of the global situating humanity in the planetary context and responding to today's environmental crises exploratory map makers enquire about the relationship between people and earth transforming notions of humanism and nature in the process such efforts contribute to the development of a materialist cartographical imagination necessary to interrogate capitalist realism and envision sustainable futures
