the functional approach to character education face anti bullying curriculum is a k through 5th grade interactive model for alleviating the conditions that often cause students to intimidate other students

including lack of respect for another's feelings, lack of appreciation for physical/behavioral differences, and poor self-esteem. Used by over 10,000 students dating back to 2001, this curriculum is now available via e-book both by individual grade or as a K through 5th grade package. Each of the 38 lessons includes a theme, classroom activity, discussion ideas, and takeaway points. Initially authored by Dr. Daniel Price, a licensed clinical psychologist, the curriculum has undergone revisions by grade-level teachers since 2001 and modified to include activities that are fun and educational at the same time. Topics covered include responsibility, respect, caring, fairness, trustworthiness, and citizenship.
